

# Registration of a civil law partner

Under the same conditions and reduction provisions as for the spouse's pension, the civil law partner (of a different or the same gender) is entitled to a survivor's pension, see Art. 17 et seq. of the valid framework regulations. The civil law partner is entitled to a survivor's pension or a one-time settlement under the following conditions:

- a. The civil law partners have demonstrably and without interruption lived in a domestic relationship in a common household at least for the last five years before the death of the insured person, or the surviving civil law partner must take care of at least one common child.
- b. Both civil law partners are neither married at the time of the death of the insured person nor have a registered or other civil law partnership.
- c. The civil law partners are not related within the meaning of Art. 95 of the Swiss Civil Code (ZGB).
- d. The surviving civil law partner does not draw any spouse's, widow's, widower's or civil law partner's pension from a preceding marriage or domestic relationship and has also not drawn any capital benefits instead of such a pension.
- e. The form "Registration for a Civil Law Partner's Pension" was completed in full and signed by both civil law partners and sent to Katharinen Pensionskasse II before the death and before the full retirement of the insured person.
- f. The documents required by the foundation to check eligibility must be provided by the surviving civil law partner.
